Welcome to Doggy Daycare!

**We are happy and humbled that you have entrusted your pet's care to Animal Care Center of Green Valley!
Please read our policies outlined below and initial each line**

_____ I agree to undertake the daycare services provided by Animal Care Center of Green Valley (ACC). I understand that prices are subject to change.

_____ I agree to maintain vaccinations and understand that if my pet is not current on their vaccinations, my pet may not be able to participate in daycare. (Vaccinations should be current *no later* than five days before daycare attendance.) I understand that ACC needs documentation of the dates my pet *received* their vaccines before they can be admitted to daycare. We require proof of Rabies; the Adult Combo (distemper/parvo); and the Bordetella (kennel cough).

_____ I understand that any personal belongings I chose to bring with my pet may not be returned in the same condition.

_____ I give permission for ACC to take photographs and/or videos of my pet for use on their website, social media, presentations, ads, and in the clinic.

_____ I understand that male dogs over six months must be neutered to participate in group play. While ACC prefers females be spayed, they may participate as long as they are not in heat or creating tension.

_____ I understand that my dog will go through a temperament test on their first day in daycare to evaluate their suitability for ACC's daycare program.

_____ I understand that my dog's participation in group play is contingent on their behavior and that they are constantly assessed for group play suitability. If they are deemed too aggressive or problematic to continue group play, ACC personnel will remove them from group play and will keep them separated.

_____ I understand that Daycare & Day-Boarding is available Monday-Friday and that reservations are required.

_____ I know that regular drop off hours are from 7:30am-12pm and that I must pick up my dog by 5pm. If I am unable to pick up my dog by 5, I understand an additional fee will be charged and/or I will not be able to pick up my pet until the next business day.

_____ I understand that I must have a current *ANNUAL DAYCARE AGREEMENT* on file for my dog to participate in daycare or to day-board and agree to alert the daycare personnel to any changes concerning my dog when applicable.

_____ In the event of a medical issue, physical injury, and/or emergency with my pet, the employees of ACC will attempt to reach me and/or my emergency contact. In the event that ACC cannot reach me or my emergency contact I authorize Animal Care Center of Green Valley to treat my pet: (please select one of the two options below)
