

Prince Frederick Animal Hospital

Consent for Euthanasia

I give my permission to The Prince Frederick Animal Hospital to euthanize my pet:

I would like to take the remains home for private burial

I would like the Prince Frederick Animal Hospital to handle the remains (this is a mass cremation with other pets)

I would like an individual cremation with the ashes to be returned to me in an urn
Urn plaque sentiment (3 lines/25 characters):

(Additional lines and characters can be purchased at additional cost)

Phone number to call when selected urn comes in: _____

Select which urn: _____

I would like an ink paw print of my pet mailed to me at no additional cost

I would like a clay paw print of my pet mailed to me at additional cost

No paw print

I would like to be present in the room when my pet is euthanized

I prefer to leave the room when my pet is euthanized

I would like an IV placed in advance of the euthanasia. Most beneficial for very ill pets. Usually not necessary for cats/larger dogs/exotic pets. There is an additional cost for this.

I DECLINE IV PLACEMENT

PLEASE NOTE that we try to make your pet's euthanasia as humane and comfortable as possible. The IV euthanasia is an overdose of a pain killer so there is no pain involved, but your pet may vocalize or struggle for a few seconds if they feel dizzy or confused. When your pet's heart stops there may be a few involuntarily last breaths for a moment or two. Your pet's eyes normally remain open after death. Pets may release bodily fluids after death, so your pet's body will be placed in a plastic shroud.

I further certify that this animal, to the best of my knowledge, has not bitten any person or animal during the last fifteen (15) days, nor has it been exposed to rabies or any potentially rabid animal.
